This is a claim governed by both Federal Question and Diversity of Citizenship. There are stakes well above \$75 Thousand. The plaintiff realizes that this Court has jurisdiction in this case.

## 1. Federal Question:

(A). The United States Constitutional Amendment # I clearly states the right "to grieve" as I'm attempting now and hereby and in accordance with the Federal Rules Of Civil Procedures' rule 7(a)(1).

(B). The United States Constitutional Amendment # XIV clearly states any United States citizen has "the

"right to equal protection of the laws".

Currently I'm in a very impoverished setting that's a violation of the above rights. It is my hope, the lords of the Court and representatives of the United States Government maintain those rights and preside on my complaint and claim to uphold justice.

## 2. Diversity Of Citizenship:

(A). The amount sought is \$2.5 Billion from the United States Government account but not personal ~~person~~ individual private account.

The claim amount of \$2.5 Billion is to build a College University/Residential

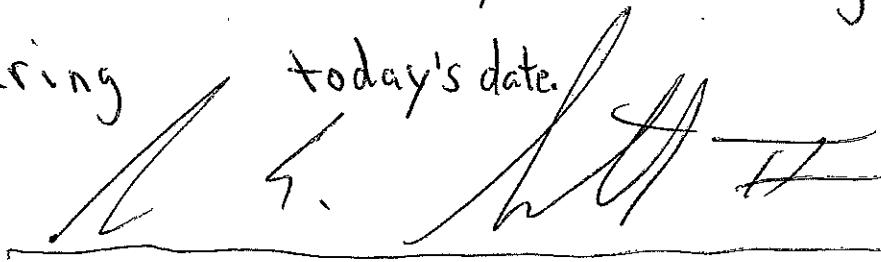

Hall with medical facility in Holly  
Grove, Arkansas zip code 72069 because  
of the need for commerce and population  
in Holly Grove, Arkansas 72069 and my  
need for security and livelihood.

I currently reside in the state  
of Arizona and the Defendant is  
located in a different state...

Washington, DC zip code 20500. The  
Claim's need... is... located in  
Arkansas (Holly Grove ... zip code 72069)

The Plaintiff feels the United  
States District Court of Little  
Rock has jurisdiction in this  
claim and case. Therefore, the  
Plaintiff request relief.
